At this point your quilt top should measure  $67\frac{2}{3}"$  x  $90\frac{1}{4}"$ . Measure your quilt through the middle of your quilt to determine the length of strips for your border pieces.

Piece  $2\frac{1}{2}"$  strips x WOF of BCAR 03 to equal the length of the side edges of your quilt top.

Sew the side narrow borders to your quilt first, then measure and piece the top and bottom borders and attach them to the quilt top. Press towards the borders.

---

---

---

Use your choice of Butterfly Carnival fabric for a beautiful quilt back. Sandwich the quilt top, batting and backing and quilt as desired.

---

Complete your quilt by joining 11 • 2½" strips of BCAR-06 end to end. Fold in half lengthwise, wrong sides together and press to create the binding. Sew the binding to the quilt from the top side and hand stitch to the back side, mitering corners.
